MicroAge Belleville is an independently owned IT system integrator & value-added reseller and part of Canada's leading network of IT solution providers. We have been a trusted IT business partner for organizations in the greater Belleville area for over 30 years and are looking for a goal oriented individual to join our experienced team for a full time position. Joining MicroAge means you will be part of a nationally recognized organization and a member of group that never stops getting better.

**Requirements:**

- Able to explain the benefits of Managed Services and Cloud Hosting
- Excellent written and oral communication skills
- Desire to an active member in our business community
- User of Social Media
- Familiar with major IT vendors, brands
- Understand our Business Objectives and Core Values

**Duties & Responsibilities:**

- Proactively market our Services using various media forms
- Adhere to our Core Values at all times
- Create and deliver well written proposals
- Support and grow the business relationships we have established
- Schedule and lead client meetings to review and discuss IT services
- Use the most current business SW Applications and Systems.
- Be an advocate for our clients
- Obtain and maintain required certifications with key vendors

The successful applicant will enjoy and thrive in an environment where we solve business technology challenges for our clients. A business vehicle, cell phone and Group Health Benefits are also provided.

If interested and the above resonates with you, please forward your resume and compensation expectations to [dhoard@microagebelleville.ca](mailto:dhoard@microagebelleville.ca).
